Art Unit: 2632

1. The following is an examiner's statement of reasons for allowance:

the art cited by the examiner in the last Office action (Tymes, Knockeart, Kimoto et al, UK '270, WO '435 and WO '446) disclose various "light signals" each having data transmission as at least a portion of the light signal; however, none of this art (or the other art of record) teaches, individually or collectively, using a memory device having data and being attached to a light support for at least one LED, in combination with a controller which is in communication with the at least one LED for illuminating the at least one LED, to simultaneously create at least one first light signal observable to the unaided eyes and at least one second light signal not observable to the unaided eyes, the second light signal being generated by the controller in communication with the memory device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Applicant is notified that the replacement and new drawing sheets filed 5/10/04 are approved, and that the substitute specification filed 6/30/04 has been entered.
3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The art cited by applicant on 5/23/03 is made of record.
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thomas J. Mullen, Jr. whose telephone number is 571-272-2965. The examiner can normally be reached on Monday-Thursday from 6:30 AM to 4 PM. The examiner can also be reached on alternate Fridays.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Daniel Wu, can be reached on (571) 272-2964. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is 571-272-2600.
